CCCLC has a place for every child...

Toddler Tech

2 yrs. old: Children are engaged in constructive play that strengthens gross and fine motor skills, cognitive function, and socialization. Lesson times are designed to captivate young minds and lay the strong foundations necessary for later academic excellence.

Dress-up is fun that expands the imagination.

Pre-School

3 yrs. old: "Pond Life", "Farms", "Flowers & Bees", and 33 other weekly themes provide the context in which children learn their colors, shapes, alphabet, letters, numbers, etc. Play time continues to support growth and development of motor and social skills.

Pre-Kindergarten

4 yrs. old: *Children* begin to become *students* during this exciting year in preparation for kindergarten. Readiness skills, phonics, printing, numbers,

motor skills, language skills, and social skills are taught along with a weekly theme.

Child Care

The programs above operate from 8-11 am, Monday-Friday during the school year. Hot lunch, guided play, and appropriate rest times are available for children that need care before 8:00 am or after 11:00 am.

Before and After School Care

Because not every parent can stay home until the bus arrives or be home when school is over, we offer care for students through 12 years from 6:30 am until 5:30 pm.

Year Around Care

With the exception of major holidays (see handbook), CCCLC is open Monday—Friday, all year.

Craft-time builds motor skills.
